

INKWORKS TATTOO STUDIO

Tattoo Pricing Guide

All tattoos are priced according to size, detail, placement, skin type, and the time required to complete the work. Every design is quoted individually to ensure fair and accurate pricing.

Hourly Rates

Standard Studio Hours: £60 per hour

Evening Appointments (after 5pm) & Sundays: £70 per hour

Small Tattoos

Suitable for simple, minimal, or tiny designs such as stars, hearts, symbols, initials, and other straightforward pieces.

£30 – £60

Medium Tattoos (Single Session)

For tattoos completed in a single session with more detailed linework, shading, or colour.

£60 – £180

Typical session length: 1–3 hours

Large Tattoos (Multi Session)

For larger, more detailed work that requires multiple sessions.

£200 – £500

Typical session length: 3+ hours

Custom Work

For substantial custom projects designed specifically for the client.

Examples include:

- Half Sleeve: **£300 – £600**
- Full Sleeve: **£600 – £1,200+**

Large custom projects are built over multiple sessions at your pace.

Hourly rates apply.

All custom work is quoted individually based on design complexity, size, placement, and estimated time.

Deposits

A deposit is required to secure all appointments.

- Small Tattoos: **£30**
- Larger Pieces: **£50 – £100**

Deposits are deducted from the final cost of your tattoo.

Important Information

- All prices are guide prices only.
- Every tattoo is quoted individually.
- Final pricing depends on size, detail, placement, skin condition, and time required.
- Custom designs may require a consultation before an accurate quote can be provided.
- Quoted prices are based on the agreed design. Any additions or significant changes requested after the quote has been issued may require the price to be recalculated.
